*Make a difference with heart!*

## Poor Handmaids of Jesus Christ Volunteer Program

*Do you desire to share God's presence and make a difference in our world?*

*Do you have a heart for the disenfranchised, those in need and Earth?*

*Are you a single, Catholic woman 21 years or older?*

*Consider volunteering in ministries with a preferred option for the poor as you share your gifts and heart in joyful service. Live in a faith-based supportive community with Poor Handmaids of Jesus Christ Sisters.*

*We invite you to join Blessed Catherine Kasper's vision and that of our Sisters. The ripples of shared Community, Dignity and Respect for All, Simplicity and Openness to the Spirit reach far and wide.*

*Through your time of service lived with our Sisters in intentional community, grow in your ability to hear God's nudges to further service in your life as a single, married or religious woman. The paths to service are abundant and so too can be your life of service!*

"Helping is its own reward. It's surprising how it just feels right."

## Mission Statement

The mission of the PHJC Volunteer Program is to offer single, Catholic women unique opportunities in a faith-based context to live out their Baptismal call to share God's presence in the world. Volunteers are inspired by openness to the Spirit, simplicity, community, and dignity and respect for all.

## Vision Statement

Volunteers share the Poor Handmaids of Jesus Christ Mission, Vision and Core Values as they live and partner alongside Sisters and co-workers in domestic and international ministries that champion the poor, the disenfranchised, and Earth. Volunteers commit to service for a time period of up to twelve months. Sharing a spirit of mutuality and shared leadership, volunteers grow in their discernment toward service.
