"I enjoyed the small group prayer times and the owl prow! I know I've become a lot closer to Jesus and this helped me with my discernment." ~ Amy Wegrzyn

"My experience with the program provided me with greater insights, both of the PHJC community and of myself. Through our time together, there was a trust and an opening of the heart - a subtle shift in my receptiveness to the Spirit. I look forward to future opportunities to engage with this program."

~ Claudia Johnson

"This felt like 'heaven on earth.' As I soaked in all of the nature, it truly felt like I was walking on sacred ground. It reminds me of the Transfiguration...This was a mountain top experience where I came face-to-face with the Divine..." ~ Teresa Cecil
