

1. Ask God to help you discover your gifts and talents, strengths and weaknesses, areas of interest.
2. Know that God loves you and explore your image of God. Don't forget to PRAY each day to know God's will for you!
3. Consider your life options and the pros and cons for each. Which makes you happiest? Which draws the greatest excitement for you?
4. Share your options and choice with those whom you respect and trust.
5. Imagine yourself living your decision a year from now...in five years...in ten years. How does this make you feel?
6. Pay attention to your feelings and journal throughout the process. What are you learning about yourself?
7. Sometimes you just have to jump in and try something new to see if it FITS. Consider giving your decision a try! Live into the decision and the questions. God reveals the right path. You are not signing your life away by trying something on!
8. Do you experience peace with your decision? What is God telling you about yourself? What are the challenges? Hopes? Joys?
